SCOPE OF WORK

1- Summary

Fair Trade Lebanon is looking for Agricultural Expert to do coaching visits for farmers

2- Objective

The main objective of the project is to improve the overall food security of Akkar region through maintaining farmer's productivity and ensuring equitable access to fresh produce.

The project is built around two main components:

- Emergency component: Improve the access to agricultural products for 10 groups of farmers and 200 households in the current crisis context.
- Development component: Strengthen the resilience of 10 groups of farmers to ensure a sustainable activity.

One of the objectives Fair Trade Lebanon is responsible for is strengthening Vulnerable community members with business development skills training in the Value Chain.
